2:00 PM × Close

WELCOME

Welcome to the Multiply Conference! We are honored to serve you and excited that you chose to attend. Mission Church is hosting this Great Commission Collective Micro-Conference because we believe mission requires multiplication. Our mission is to make disciples who live loved and sent to the glory of God. To accomplish God's mission to make disciples and multiply churches, leaders must be developed. Simply put, our mission is to make disciples and multiply churches. A key to accomplishing the mission is leaders. Isn't it amazing that God wants to use us in His mission? We have designed the Multiply Conference to ignite your passion for the mission, clarify your place in the mission, and equip you to develop new leaders to join the mission. Take a moment to ask God to use our time together to sharpen our skills in developing leaders for the mission. Thank you for joining us in multiplying the mission!
